No. 11

Mellon Madura 9th February 1843

From The Commissioner
In Charge of Madura

To The Secretary to the
Board of Revenue
Fort St. George

Sir,

1 I have the honor to acknowledge the receipt of the Extract from the Proceedings of the Board of Revenue dated 2d. January last, forwarding Papers received with the Extract from the Minutes of Consultation dated 16th. December 1842 for any observations and suggestions on the proposed Passport rules that may occur to me to offer.

2 These Rules appear calculated in every respect for maintaining a due surveillance over all Foreigners travelling through, and residing in the Provinces. The term Foreigner as applied to Europeans and Natives, might be modified, and in order to prevent any misconception of it hereafter, I would suggest that in the first Section of the Proposed rules,

the

the following alteration be made Viz " No
"Foreigners, or persons not being Natural born
"subjects of Her Majesty, including Asiatic
"Foreigners, not being Natives of the Company's
"territories will from the 1st January next be
"permitted to travel &ca &ca" and in all following sections it might be stated "Foreigners as aforesaid" this distinction appears to be necessary with reference to Act of the 3d and 4th William the IV Cap 85 in which the authority for the Residence of Natural born subjects in the Company's territories is provided for. Sections 81 et seq.

3 In the present in-operative state of the Passport Regulations, the Act above quoted gives apparently an advantage to Europeans who are not Natural born subjects of Her Majesty, over those who are. Persons of Foreign European descent, and those born in the Foreign States of India reside here where they please without restriction on the plea of Commercial pursuits, while in fact there is no check to their means of ~~acquiring influence~~ intriguing with ~~in~~ the families of Zemindars and land-holders, or of working upon the Credulity of the inhabitants for their own private advantages. ~~And~~ In cases

in

in which Passports have been granted to persons
not being Her Majesty's Natural born subjects,
they are not prevented from residing in, or passing
through any place, [illegible]
15 [illegible]. Thus in this District there is no
limitation to the residence of American Pro-
testant Missionaries, and Foreign Roman
Catholic Missionaries who have arrived at Madura
with Passports. I would suggest therefore that
a provision be made in the proposed Passport
rules for limiting the residence of Foreigners
within such place or places as may be declared
open without further licence.

Madras [illegible] August 1843

From [illegible]

Principal Collector of Madura

To J. D. [illegible]

Chief Secretary to Government

Fort St. George

Sir

1 In reply to your letter of the [illegible]

(1 May 1843.) giving cover to one from the Ceylon Govern-
-ment desiring consideration if a reduction
should not be made from the [illegible]
Pension of Rungasawmy Rajah as [illegible]
advantage taken of a reduction of 35 R[illegible]
by the demise of the Head of the Family, [illegible]
-basawmy Rajah, I have the honor to observe

1st That on the 20 May 1831 H. M's Govern-
-ment of Ceylon fixed as a Rule that on the
death of each Head of the Family the pension
should be reduced by 35 Rupees a month,

and

[illegible] of [illegible] on a
[illegible] the [illegible] of
[illegible]sawmy, on the [illegible] 30 of June
1829 which had given rise to the corres-
pondence.

[illegible] On the 14 October 1831 they sanctioned a [illegible] diversion of 28 Rupees from the head of the family to Rungasawmy Rajah, with a stipulation that when the head of the family died he should suffer a proportionate reduction; and subsequently on the 29 June 1841 sanctioned a proportion of increase to Soobasawmy Rajah Viz. 6-8-7 to be given also to him -

3d On the 13 December 1836 they sanctioned a further ~~[illegible]~~ diversion of 5 Rupees from the reduced pension of Soobasawmy Rajah to Vencatasawmy Naick but with provision that it should lapse on his death.

4th.

4 [illegible] the [illegible] October 1839 [illegible]

to disappoint [illegible] Soobasawmy Rajah

of a hope [illegible] to him [illegible]

benevolent [illegible] intended [illegible]

[illegible] they lapse [illegible]

demise [illegible] 6 8 [illegible] 1829.

And 5thly In their letter [illegible] consi-

-deration of the 26 May they [illegible]

in the late Commissioner's [illegible] recom-

-mendation of a lapse of 35 Rupees from ~~the death of Soobasawmy Rajah~~ in continuing the pension of to

present Head of the Family, Dhoraysawmy

Rajah; but they also wish to make a

~~further~~ gurrge by a proportionate reduction from [illegible]

pension participator, Rungasawmy Rajah

2: My own opinion is that Sooba-

sawmy Rajah having enjoyed the benefit

of

[illegible] oversight of H. M.'s Government
[illegible] proportion [illegible] Rungasawmy
[illegible] the reduction on its falling to
[illegible] successor should [illegible] in equal
proportions on him and [illegible] Rungasawmy
Rajah's Pension; — but if the strictest
[illegible] view of the question be taken
I should suggest that proportionate
deductions should be made from the
[illegible] and from Rungasawmy Rajah's
participation-pension; in all to amount
of 35 Rupees minus the similar proportion
that would in equity be deducible from
the 5 Rupee participation pension of
Vencatasawmy Naick — which small
loss should be borne by H. M.'s Govern-
-ment of Ceylon in return for the expected
gain

	Present pension	Proposed pension	Difference
Coomoosawmy Rajah Rs	133-6-9	105-[illegible]	28-6-5
Rungasawmy Rajah Rs	34-9-7	28	6-[illegible]
Vencatasawmy Naick Rs	5	[illegible]	[illegible]
Total	173	total of pension 138	[illegible]

gain in the entire Rupee [illegible]

on death of the present incumbent — By

I do not think the Ceylon Government can

under any view expect a greater gain from

the demise in question than already obtained

In reference to Minutes of Consultation I have the honor to submit copy with translate of form of Grants I purpose giving to such persons as have taken up ground on the ramparts and ditch of Madura Fort. – These all, or a great portion, are in a state of readiness; it must be considered if the Most Noble the Governor will authorize me to issue them under my signature or will have them authenticated at the Presidency. The ind-

commenced building, & about 28
are very nearly completed their
buildings, it would be in-
convenient to fill up the grounds
prior to the completion of a whole
line of street; neither would it be
fair to ask for approbation of my
measures without a more detailed
report which I do not here propose
submitting till the close of the
year; and meantime the object
of this address is to keep the Board
apprised generally of my proceedings.

copies of it for future use.

It is necessary for me here to
observe that the works languished
almost to ceasing entirely the
first seven months of the year &
in what was done such deviations
were allowed, or approved, from the
plans I had previously formed
that the greatest part has to
be, & is under course of being done
over again.
